Condition of attendance -

**PLEASE BE AWARE** the auction is taking place in a commercial nursery. We ask that you respect the owner's property and possessions as well as those of adjoining properties. As a commercial nursery it will have a number of trip hazards etc. similar to our own greenhouses, although all reasonable precautions will have been taken in respect of Health and Safety, persons attending do so at their own risk. **Areas will be taped off and entry beyond those points is strictly forbidden**

**Care must be taken at all times moving around within the nursery,** the owner accepts no liabilities or responsibility for injury caused during your visit.

Car parking will be provided on an adjoining field within the nursery. Parking will be directed by stewards but is your own responsibility and no liability is accepted as is the case in most public places. Again please be mindful this is a residential area so respect of neighbor's is essential.

**On site toilet facilities are available.**

**Please bring your own chair and refreshment.**

The viewing of the Auction plants and sale of the ancillary plants will be strictly monitored by the stewards and we would trust that all those attending will be sensible. **Any person found removing goods NOT CONNECTED with the Auction, will be asked to leave and be excluded from the sale.**

**ALL PLANTS** will be sold as seen and all items purchased **MUST** be paid for on the day of the sale and removed by the purchaser **UNLESS** by personal arrangement with the vendor.

Dependent on the Government guidelines in place at the time of the sale, if necessary social distancing will be carried out.

Payment will be taken in Cash, Cheque or Bank Transfer again by arrangement of the vendor. **NO CREDIT WILL BE GIVEN**
